

How to tie a *Bow Tie*

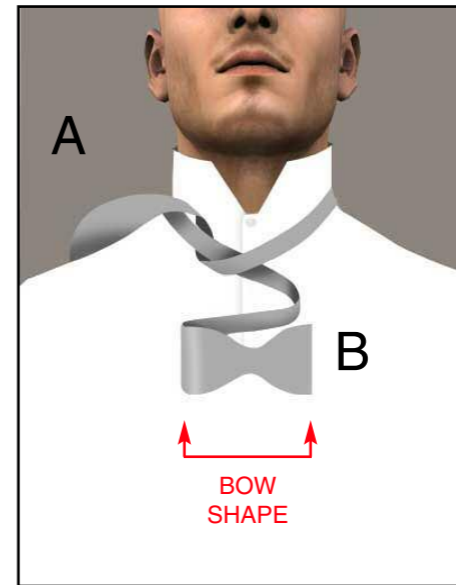

1 Put the bow tie around your neck and cross end (A) over end (B)

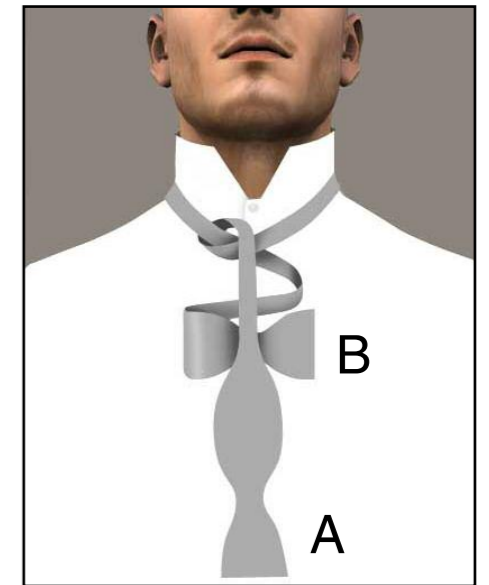

2 Take end (A) back under end (B)

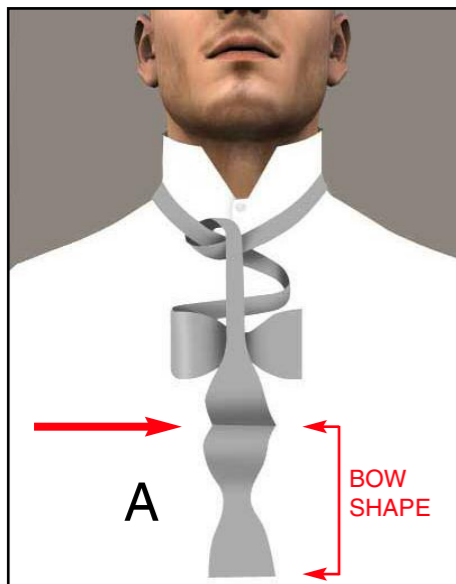

3 Discard end (A) over your shoulder for a moment

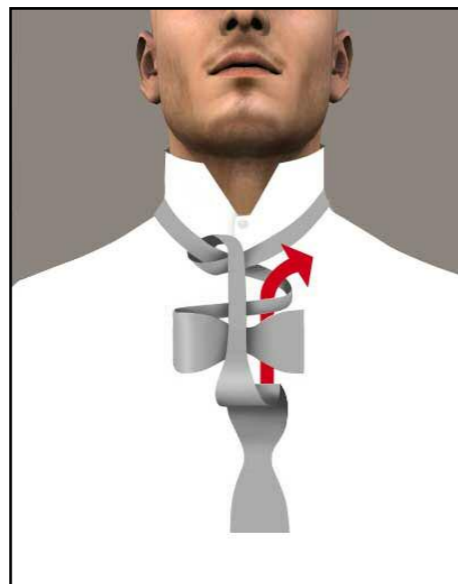

4 Fold end (B) to create a bow shape

5 Bring end (A) down over the bow shape of end (B)

6 Fold end (A) at the point that will create end (A)'s bow shape

7 Pull the fold upwards and through the loop shown above

8 Adjust the bow and tightness to achieve the desired effect
