Evening Suit Collection

As we carry large stocks of evening wear, we recommend only booking up to six days ahead of wear date. The only exception to this is on evening tail suits and Mayfair slim fit suits, where it is advisable to book about three to four weeks in advance, at certain times of the year. We aim to fit our customer's suit on their first visit, but can make any necessary length adjustments.

Important Information

Hirewear booking service

To help save wedding parties of four or more customers having to wait for attention, we strongly recommend calling your local shop and booking an appointment.

In addition, some of our shops have limited room and therefore on busy Saturdays can only work with pre-booked parties. There is no need for individuals to book, rest assured that every customer will be looked after.

Payment, collection, Loyalty Card and interest-free credit option

At present we do not charge a booking deposit, but we reserve the right to change this policy at any time. Outfits are paid for on the day of collection, unless a customer prefers to pay on booking. We offer an interest-free credit account (subject to status), for customers who wish to spread the cost of their purchases. We reward our customers with a loyalty scheme that provides special incentives. Please ask in-store for details.

Proof of identity

Proof of identity (including address) is required before hire orders can be collected. If this is not provided, a refundable deposit may be charged.

Extended hire periods

If garments are required for an extended period, please state when booking.

Any garment hired for 14 days = 1½ hires, 21 days = 2 hires.

Ascot Week – hire charge

If your outfit is required for multiple days during Ascot Week, please state when booking.

This period will be charged at 1½ hires.

Checking your order

Customers are responsible for checking and trying on garments after collection to ensure complete satisfaction.

We will happily exchange any garments if the customer wishes.

Returns procedure

As garments are often required for other customers' special occasions, prompt return is essential and should be made before 10 am on the first trading day after the day of wear. Please check opening times for your local store. Excess hire charges of £10 per day will be made on all late returns.

Accidental Damage Waiver

We recommend optional ADW as it will cover any accidental damage that might happen to your garments. It does not cover top hats, and Highland Wear cover is limited to £300.

It also excludes theft and malicious damage.

How to tie your neckwear guides

If you are having problems with your knots, please visit one of our store websites, where you will find several helpful videos.

Cufflinks

Please note that most of our dress shirts require cufflinks.
